MORE ELECTION REPERCUSSIONS (continued from last week): Burlingame, June 10:--Roy A. Archibald, young political science instructor who opposed State Senator Harry L. Parkman in the recent primary elections, today issued a statement in support of the denunciation by Marion H. Kent, Democratic county chairman, of the so-called "Democratic Club of San Mateo" last minute mail endorsement used by Parkman in his campaign. "It is my belief," said Archibald, "that a great many Democrats of San Mateo County were deceived by this last minute mailing and voted for Parkman because they thought he had the official endorsement of their organized representatives. It is a matter of record that I was the only candidate endorsed by the Democratic County Convention in Feb. for the office of State Senator." Pointing out that he had just been made aware of all the facts which indicated that Parkman had personally ordered and paid for the printing of this alleged endorsement, Archibald added, "Mr. Kent, who, as Democratic Central Committee leader, brought this to light, deserves the thanks of both Democrats and Republicans for exposing this chicanery. "In a radio broadcast on Sunday," he said, "Frank Raymond, Parkman's publicity agent, attempted to imply that my courtesy note of congratulations to Parkman carried an approval of his use of this deceptive mail endorsement. This is not true. I thoroughly support Kent's actions. I wonder if Mr. Parkman and his campaign staff would approve of this type of political ethics being taught in our schools," concluded the young instructor.

REPORT FROM THE NAT'L FEDERATION OF INDEPENDENT BUSINESS: C.W. Harder, President of the National Federation of Independent Business, recently called on all members of Congress to vote for Reorganization Plan No. 2, 1952, for appointment of Post Masters of all 1st, 2nd, & 3rd Class Post Offices on a competitive Civil Service basis. At the same time he called on the Congressmen to support legislation for unification of rivers and harbors development work, for unification in federal medical services, for establishment of modern hiring and promotion systems in the various Government agencies, and for establishment of an agency to give Congress more information on progress of Government's overseas operations. The postal reorganization plan and each of the pieces of legislation follow recommendations by the Congress in 1949 by the Hoover Commission for Reorganization of the Executive Branch of the Government. They are all backed by the non-partisan Citizens Committee for the Hoover Report. In identical letters to all 519 Congressmen, Mr. Harder noted that the Federation had submitted each of these issues to its nationwide independent business and professional man membership last month. He said that in thousands of signed ballots sent directly to their Congressmen, Federation members overwhelmingly approved the proposals. Mr. Harder concluded, "As a representative of the people of your state and districts, we know that you have a great interest in better federal operations. We can assure you that this interest is shared equally by each and every one of our members who foot the tax bills to pay for these operations each year." Here is how the Federation members voted on these issues: (1) Postal Reorganization Plan, 85% FOR; 14% AGAINST; & 1% NO VOTE. (2) S.1143-Unify rivers and harbors development work, 94% FOR; 4% AGAINST; & 2% NO VOTE. (3) S.1149-Unify federal medical services, 84% FOR; 12% AGAINST; & 4% NO VOTE. (4) S.1135-Establish modern hiring and promotion systems for federal employees, 93% FOR; 6% AGAINST; & 1% NO VOTE. (5) H.R.3697-Help Congress secure more information on foreign aid, 81% FOR; 15% AGAINST; and 4% NO VOTE.---signed, C.WILSON HARDER, president, National Federation of Independent Business.

OPEN LETTER TO BRISBANE RESIDENTS: As you all know--this is our annual Fire Season--and as you all know, that means the hours and days-long fights against Brisbane's mortal enemy--FIRE!! Sometimes the fire creeps toward our little city over the hills surrounding us; and are no fault of our own. These have become almost a yearly occurrence, and are feared because of the danger to our homes, and our lives. But there are the other fires--through carelessness and forgetfulness of our own selves and neighbors--the fires which are started within our own "city limits". These we can prevent--with a little thoughtfulness and foresight on the part of each of us. Remember--NO OPEN FIRES OF ANY KIND DURING THIS DANGEROUS SEASON! And--ALL BURNING CANS MUST BE COMPLETELY OUT BY ONE O'CLOCK EACH AFTERNOON! And--PERMITS ARE NECESSARY BEFORE USING A BURNING CAN. To facilitate the efforts of your fire department in keeping the fire danger at it's lowest ebb, may we suggest that if you have grass and weeds growing tall around your fences and outbuildings--and if you don't have the time to cut it yourself--please call your firechief (Lou Terry) or your fire-marshall, Richard Siess. We will send you a local boyscout to cut it for you---and that will give him a chance to earn a little money towards his Scout Camp plans. We would like to take this opportunity also to thank FRANK WOLFE (friendly Frank, that is) of San Francisco, for all that he has done for the Brisbane Fire Department! And thanks also to all the good people of Brisbane who cooperated with us last year, and who will continue to do so this year and in the years to come. Yours, for a fire-less 1952---LOU TERRY, Brisbane Firechief.

IN REGARDS TO PETITIONING FOR A BANK IN BRISBANE: "Good news on the BANK. Let's have it--signed, MR. & MRS. K D WOODEN, Brisbane.

BOUQUETS TO: Capt. Blair & his Rangers on their "Dress-Parade" last Saturday--FRANKIE KING for the redecorating job at the "23 Club" and to MABLE KING for the lovely outfits on the hostesses;--and to BRISBANE for it's spell of good weather for a change!
